Speaker Reviews

"Gloria enthralled our Membership as she positively coached them with excerpts from her book, *Life Skills for the Journey*. She spoke from the heart and shared ways to grow and improve your career and life. As Gloria concluded, as members shared their thoughts on having her as a speaker, one stated: "Thank you for inviting Gloria. She was the best speaker ever to attend our Annual Meeting."

Misty Fisher
Lion's Share Federal Credit Union

"Gloria Sloan engaged the audience with anecdotes woven throughout her motivational speech about leadership. It was well organized and resonated with the audience. The tone was conversational and inspiring, as if she was a mentor, and the speech was filled with nuggets of wisdom that will be quoted in conversations as we go forth to put her advice into practice. I would highly recommend her for any organization that values leadership."
